

# Join the Rescue Team!

**"Seek Justice. Defend  
the oppressed..."**  
**Isaiah 1:17**

Many girls and young women in Kenya face a terrifying, growing wave of sexual violence, teen pregnancies, and early forced marriage. The Home of Comfort, our new safe house in Nairobi, offers emergency care and the opportunity to heal for up to ten vulnerable girls rescued from abusive situations. The Home of Comfort will:

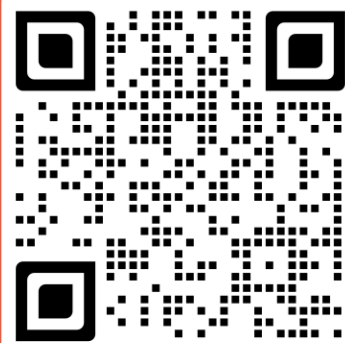

- **Rescue:** Working with Kenyan authorities, we will rescue girls from abuse and provide them with protection, safety, and love while meeting their physical, social, educational, and spiritual needs.
- **Redeem:** We want to see these precious girls heal from the trauma they have experienced, and see their lives change as they come to know their loving Heavenly Father.
- **Restore:** Whenever possible, we desire to see children reunited with their families and help these families flourish.

## **BECOME A HOPE AMBASSADOR**

By being a Hope Ambassador and contributing \$20 a month (\$240 annually), you provide clothing, food, medical care, and counseling for vulnerable and traumatized girls. Our girls need at least 100 people to join as their Hope Ambassadors in 2022!

Will you join the rescue team today?
